

Relaxed Package

Enjoy a unique, 3 day relaxing mini-break in Kerry. If you only have a few days off, but still want to get away, then this mini-break is definitely for you. Whether travelling as a couple or with a friend, Killarney has an amazing amount to offer. You'll take a boat trip on the lakes of Killarney and enjoy the beautiful Muckross House & Gardens en-route. We've added something unusual to the mix with this package – Ireland's only peat baths. This exclusive experience is perfect after a day's activity and you will be among the first in Ireland to ever try it! We've added a few little extras along the way, ensuring you feel relaxed and recharged after your mini-break.

Day 1 – On Your Bike!

If you arrive early enough at your cosy B&B in Killarney (located within walking distance of town). We do recommend you take a bike trip and start exploring the amazing [Killarney National Park](#), [Muckross Abbey](#), [Muckross House & Gardens](#), [Torc Waterfall](#) and [Ross Castle](#) are all easily accessible by bike - maps will be provided and E-Bikes are available on request if booked in advance (please let us know on booking if you would like an E-Bike). A wonderful meal at a renowned restaurant in [Killarney](#) including a bottle of wine, will carry you into the evening.

Day 2 – Boat Trip on the Lakes of Killarney & A Visit to the Bog!

Today you'll explore the Killarney National Park in depth after a hearty breakfast. Drive to Muckross House and Gardens and park your car in the carpark before you walk toward Dinis Cottage. The walk will take you just over an hour. Originally built as a hunting lodge, Dinis Cottage has hosted the likes of Queen Victoria and her cohorts! Today though, it is you who will be served, and you can enjoy tea and scones while overlooking the lake. From Dinis Pier we have organized a boat to bring you the 20-minute journey across Muckross Lake back toward Muckross House. From there you explore the house and the extensive gardens or just wander nearby to Dundag beach for a quick dip if you're feeling brave!

**If you feel the walk is too much for you, we do offer the option to take the boat on a return trip to Dinis and back at no extra charge.*

After all that exploring, a well-deserved respite is in order. Make a quick stop at [Celtic Whiskey Bar](#) where you can collect your luxury take-away picnic. Then it's off to Ireland's own outdoor rustic [peat baths](#) for a dip in the bog (don't worry, they are pre-heated). Your first adventure will be climbing into the huge barrels! This experience will completely turn your perception of a bog on its head. Mud baths are popular around the world and lauded as having fantastic health benefits. Filled with vitamins and nutrient rich acids it also has anti-aging effects ensuring your skin will be aglow with its detoxifying and nourishing effects. Its anti-inflammatory properties are ideal to recover from your long hike through the hills.

In line with Covid-19 protocols, only two people at a time can attend ensuring you will have the whole experience to yourselves!

Day 3 – The Finale
